Office of the Resident in Mysore.
Bangalore 3rd ~~Sept~~ ^{Aug} 1883.

To,

The Dewan

of Mysore.

Sir,

I am directed to acknowledge the receipt of your letter N^o 12 dated the 12th May, 1883; regarding the grant made by the British Government and the Government of His Highness the Maharaja of Mysore to-

(1) The institution known as

Chetty's Chuttruim in the Civil and Military Station
Mysore;

(2) Certain temples in the Civil and Military Station;

(3) Certain orphanages in the Civil and Military Station;

As the the

allowance of Rupees 800. a year assigned to it by the British Administration of Mysore in 1873, without consulting the Resident appears to have been irregular. As however the Government Feeding Chattrum in the Pettah from which this allowance was diverted in 1873, and to which it was restored in 1882 is a useful institution, and as the Chattrum in the Civil and Military Station still benefits by the endowment of the late Govindur Chetty, though apparently the Mysore Revenues contribute nothing towards its maintenance, the Acting Resident will not now raise any objections to the procedure of the Durbar in this matter. The continuance of the Government contribution of Rupees 800. a year (being the equivalent of Govindur Chetty's endowment) has already been sanctioned by the Government of India, and
has

has been paid in quarterly instalments since the 1st April 1884.

3. The Chuttrum will accordingly enjoy an income from these 2 sources of Rupees 1600. a year. I am to request that His Highness's Government will be good enough to nominate one or more representatives of the late Govindu Chetty to help in the control of the institution, and to say that the Resident proposes to associate with such representatives, the President and one or more members of the Municipal Committee of the said tract, in which the b is situated, so as to ensure proper management on behalf of the British Government which from henceforth contributing a more ^{of the resources} has a direct interest in the success of the institution. It is to be understood and accepted all

admitted to the benefits of the Chattram without distinction.

4. I am to suggest that the Government Pro. Notes bearing 4 per cent per annum in which Govindu Chetty's endowment of Rupees 2,000. was invested on behalf of the Chattram may be forwarded to this office to be deposited for safe custody in the Residents Treasury.

5. As regards the Temple Assignments, I am to say that the Government of India will be asked to sanction the payment of the Rupees 6-4-10 per mensem for the temples in the Fort in addition to the monthly allowance of Rupees 21-13-0 which it has already sanctioned. But the Acting Resident would first be glad to see the copy of the detailed Registers referred to in the second paragraph of your letter under reply.

This is stated to be
in the file in the
Camp Office or
with Mr. Karam Das

quired.

situated within the limits of the As-
signed tract, it is not quite clear
how far the pecuniary liability of
the British Government extends.
But the Acting Resident is having
inquiries made into the subject,
and after addressing the Govern-
ment of India and receiving
the reply of His Excellency in
Council Mr. Girdlestone proposes
to make a further communica-
tion to you.

I have the honor to be,
Sir,

Assistant to the Resident.

2. As regards any proposal to repair the wall of the enclosure of the Temple which, when inspected by Mr. Fitzpatrick on the morning of the 20th Inst., looked

to run a race with you as
ago, & Mr. Fitzpatrick sees
no reason for spending
money on it. It involves
no danger to any one.
It is no doubt equally and
invaluable, but so is Mr.
Fitzpatrick's Menthos, every-
thing is made about. Under
these circumstances our Govern-
ment cannot undertake
to do anything, and as
the Justice of the Temple
clearly cannot Mr.
Fitzpatrick sees no
reason

reason why the matter
